AJR Articles for JRS Members

ARRS has made these *AJR* articles freely available to JRS members through mid-January 2024:

Bleeding Events After Image-Guided Breast Biopsies: Comparison of Patients Temporarily Discontinuing Versus Maintaining Antithrombotic Therapy During Biopsy

<https://ajronline.org/doi/10.2214/AJR.23.29164>

Editorial Comment: Temporary Withholding of Antithrombotic Therapy Before a Core Needle Breast or Axillary Biopsy Does Not Reduce the Risk of Postbiopsy Hematoma

<https://ajronline.org/doi/10.2214/AJR.23.29626>

Radiologic Extranodal Extension of Metastatic Lymph Nodes in Patients With Non–Small Cell Lung Cancer: Prognostic Utility and Diagnostic Performance

<https://ajronline.org/doi/10.2214/AJR.23.29285>

Editorial Comment: Prognostic Implications of CT-Defined Extranodal Extension of Metastatic Lymph Nodes in Patients With Non–Small Cell

Lung Cancer

<https://ajronline.org/doi/10.2214/AJR.23.29724>

Development and Validation of a Risk Model for Predicting Contrast-Associated Acute Kidney Injury in Patients With Cancer: Evaluation in Over 46,000 CT Examinations

<https://ajronline.org/doi/10.2214/AJR.23.29139>

Editorial Comment: Can Risk Models Improve the Prediction of IV Contrast-Associated Acute Kidney Injury in Patients With Cancer?

<https://ajronline.org/doi/10.2214/AJR.23.29677>

Virtual Symposium – Plexus and Peripheral Nerve Imaging on October 20

This half-day course takes place live online on October 20. Registrants will have online, on demand access until October 20, 2024. Registration is complimentary for ARRS In-Training Members. Learn more about this course and others coming soon and register at: ARRS.ORG/SYMPOSIA

ARRS 2024 Annual Meeting Emerging Research Abstracts Deadline is October 31

ARRS is accepting cutting edge, emerging research abstracts from in-training radiologists (residents, fellows, and medical students) until October 31 for the 2024 Annual Meeting. Learn more at: <https://www.arrs.org/emergingresearch>

NEW Global Education Course – WWW.ARRS.ORG/GLOBALEDUCATION

ARRS is pleased to present the new online, open access course, Chest Radiography: Pearls From the Experts, which focuses on enhancing the diagnostic potential of the ubiquitous radiograph and how to interpret and diagnose chest radiographs.

JRS Members are Invited to Join ARRS

Through this global partnership ARRS is pleased to offer complimentary online membership for radiology residents in a training program and for radiologists in fellowship training. ARRS also offers a significant discount on ARRS online membership for JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Input the Promotional Code indicated in the box below based on your ARRS Membership Type. Be sure to complete the entire membership form in order to receive the complimentary or reduced online membership fee.

Questions should be directed to membership@arrs.org.

ARRS Membership Type	ARRS Membership Description	ARRS Promotional Code for JRS Members
-------------------------------------	------------------------------------	--

<p>In-Training Member</p>	<p>Complimentary online membership for JRS members in: 1) a radiology residency training program or 2) a radiology fellowship training program</p>	<p><i>Promotional</i> <i>Code: JRSTRN</i></p>
<p>Member</p>	<p>Significant reduction in online membership rate for JRS practicing radiologists in Japan</p>	<p><i>Promotional</i> <i>Code: JRSMEM</i></p>
