

Information from ARRS (As of 2024.08.19)

### **AJR Articles for JRS Members**

*Abbreviated Breast MRI for Supplemental Screening in Patients With Dense Breasts: Comparison of Baseline Versus Subsequent-Round Examinations*

<https://ajronline.org/doi/epdf/10.2214/AJR.24.31098>

### **ARRS 2025 Annual Meeting CALL FOR ABSTRACTS DEADLINE: August 30, 2024**

Share your research, insights, and educational projects with peers from around the world. **The deadline for submission is Friday, August 30, 2024, at 5:00 PM Eastern Time.** Learn more at:

<https://abstracts.arrs.org/Abstracts25/>

### **NEW Sessions in ARRS Breast Education Course Everything, Everywhere, All at Once: Comprehensive Breast Imaging Longitudinal Course**

This course offers nine, two-hour sessions in total. Sessions began in January 2024 and will continue until October 2024. All sessions are available to all participants on demand until October 16, 2025. **The remaining courses in the series are: Learning from Scratch Your Head Cases presented August 15, Back to the “Basics” of Breast Imaging on September 19, and Imaging Special Patient Populations on October 17.** Previous sessions include: Mammography, Breast MRI, Breast Ultrasound, Challenging Biopsies, and Multimodality Imaging of Molecular Subtypes of Breast Cancer. Earn up to 18 CME credits for the entire course. Learn more at:

<HTTPS://ARRS.ORG/BREAST2024>

### **Accepting Submissions for NEW ARRS R3 Journal**

ARRS is accepting submission of manuscripts for R3. Consider contributing to the journal by submitting your own original articles. Author guidelines are available at: <https://www.r3journal.org/>. Submitted articles should be educational in nature, clinically relevant, and immediately applicable to a typical radiology practice. Submissions will be assessed by the Editorial Board and suitable articles will go through peer review prior to a final decision. Learn more about this new journal at: <https://www.r3journal.org/>

### **NEW Open Access Global Education Course –**

<WWW.ARRS.ORG/GLOBALEDUCATION>

ARRS in collaboration with the British Institute Radiology (BIR) is pleased to offer, Screening Patient Pathways. This open access course reviews current practices for screening lung and female breast cancer in the UK and the USA. Speakers discuss common and comparative techniques and challenges of maintaining an effective screening program. Access this course and many others at: <WWW.ARRS.ORG/GLOBALEDUCATION>

### **JRS Members are Invited to Join ARRS**

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology. ARRS also offers a significant discount on ARRS membership for JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure

to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to [membership@arrs.org](mailto:membership@arrs.org).
