20th February, 2022
05:30 PM IST,
08:00 PM Singapore
Time, GMT+8

TOPIC

Industry Players: Their Role in MR Safety

*Come with plenty of questions and "wish-lists"
to provide invaluable feedback to industry.*

Speakers

Axel Hartwig
GE Healthcare – MR Segment
Manager/Research Leader (ASEAN)

Hesham ELBehairy
Philips Healthcare- MRI Modality
Manager (ASEAN/Pakistan/Maldives)

Joerg-Uwe Steuk
Siemens Healthineers – MR Business
Development Manager (ASEAN)

Welcome Address

Dr. Evelyn Ho
President, AOSR

Chairpersons

Prof. Kwan Hoong NG
Chair, Asiasafe

Dr. Riyo Mathew
Lead, MR Safety, QSSC, AOSR

WHY SHOULD YOU ATTEND?

- This is the 3rd in a series of MR Safety Webinars and will revolve around industry initiatives to improve safety in their MR systems.
- How is industry collaborating with end-users?
- What aspirations (what we can expect in the future) does each vendor have?
- What can or are they doing to assist users to help minimize MR accidents (directly/indirectly or otherwise)?
