

Malaysian Congress of Radiology (MCOR)_December 7-9, 2022

Information from AOSR (As of 2022.11.28)

The banner features a collage of images including a bowl of food, a beach, a person, and a bicycle. A yellow starburst in the top left corner contains the text '20 CPD POINTS'. A large QR code is positioned in the center. The text 'Jointly Organised by:' is above the logos for 'COLLEGE OF RADIOLOGY Academy of Medicine of Malaysia' and 'MYRAD MALAYSIAN SOCIETY OF RADIOLOGISTS'. The main title 'MALAYSIAN CONGRESS OF RADIOLOGY MCOR 2022' is in large yellow letters, with '7-9 December' below it. The theme 'Theme: Beyond Pixels And Positrons' and the venue 'Venue: Ascott Gurney Penang' are listed at the bottom. The website 'malaysiancongressofradiology.com' is also present.

Being held fully in person, on site again - is the annual congress of the College of Radiology, Academy of Medicine of Malaysia. In addition to Malaysian speakers, others are colleagues from the region, Prof Dr Kyung-Hyun Do, Dr Ramesyh Danovani, Prof Hidetaka Arimura and Dr Wu Hung Ta.

The Malaysian Congress of Radiology (MCOR) is an annual congress for radiologists and radiology trainees in Malaysia. It is co-organised by College of Radiology, Academy of Medicine of Malaysia (CoR) and Malaysian Society of

Radiologists (MyRAD). This year, MCOR will take place in the beautiful UNESCO Heritage city of Georgetown, Penang from 7th to 9th December 2022. Mai Lah Penang!
