

**The 21st Asian Oceanian Congress of Radiology (AOCR) in
conjunction with the 59th RST-RCRT Annual Scientific
Meeting**

Information from AOSR (As of 2022.12.05)

The Radiological Society of Thailand (RST) in cooperation with the Royal College of Radiologists of Thailand (RCRT) will host the 21st Asian Oceanian Congress of Radiology (AOCR) in conjunction with the 59th RST-RCRT Annual Scientific Meeting, during 9th - 12th February 2023 at Centara Grand & Bangkok Convention Centre, Bangkok, Thailand under the theme of “Redefining the possibilities in medical imaging”.

The conference will be held in on-site meeting and is expected to welcome

approximately 1,500 participants. Apart from lectures given by radiologists and related health professions from around the world, the conference also features presentations of members' latest research projects, exhibitions showcasing cutting-edge innovations from companies in the radiology industry, hands-on workshops, as well as activities for interdisciplinary cooperation and certificate ceremony to graduates from RCRT.
