

AOSR VBR Webinar: The Connected Radiologist 17 January 2023

Information from AOSR (As of 2022.12.28)

The AOSR's first webinar related to value-based radiology and specifically communications.

The talks will be followed by a panel discussion. Through the AOSR roundtable sessions and the VBR survey - better communication was one of the steps that AOSR members could put into our practices.

The graphic is a vertical banner for the AOSR Value Based Radiology Webinar. At the top left is the AOSR logo. The main title is 'AOSR Value Based Radiology Webinar'. Below the title, it says 'The Connected Radiologist: Do More & Be More' and lists three bullet points: 'Connecting with our patients', 'Connecting with our profession', and 'Connecting with our communities'. It mentions 'Hear from 3 dynamic radiologists. Please come with Questions for the Q & A and Panel Discussion following the talks'. The date and time are '17TH JAN, 2023' from '07:00-09:30 PM (GMT +8)' and '04:30-07:00 PM (USA ESTERN TIME)'. There are three sections: 'WHY ATTEND?' (Radiologists have become invisible through the years especially after digitalization PACS, EMR, it is time to emerge from the shadows and become a visible part of the team in a very impactful way for the wellbeing of a patient from diagnosis to treatment), 'FIND OUT' (How to improve communication skills especially when talking to patients, How to be a leader in promoting visibility of your profession, The "WOW" for community activities - how do you give back to your community?), and 'LEARNING OUTCOME' (A radiologist who effectively communicates with patient/professionals colleagues and in addition has meaningful community engagement). The 'GUEST PANELISTS' are Dr. Charles Koh (MD, Director, Singapore Radiological Society) and Dr. Evelyn Ho (MD, President, AOSR). The 'MODERATOR' is Dr. Angela Robinson (MD, Vice Chair of Radiology, University of Texas). The 'SPEAKER' is Dr. Chandrasekar Gopalakrishnan (MD, CEO & Founder, Nonprofit Medical Women's Association). The 'SPEAKER' is Dr. Germaine McGinly (MD MBA FRCR, First Professor of the Department of Radiology, College of Radiology). At the bottom, it says 'CLICK HERE' with a link 'https://aosr.rivdocto.com/'.

January 17th, 2023

7pm-9pm (GMT +8), 4.30pm-

6.30pm (IST), 6am-8am (USA

Eastern Time)

AOSR Value Based Radiology Webinar: The Connected Radiologist

1. Communication with patients and referring providers
2. Connecting with our profession
3. Connecting with our communities

Radiologists have become invisible through the years especially after digitalization (PACS, EMR). It is time to emerge from the reading room as doctors who contribute in a very important way to the healthcare of a patient from diagnosis to treatment.

Be inspired to DO MORE and BE MORE in Radiology.

Speakers

Geraldine McGinty MD MBA FACR

Senior Associate Dean for Clinical Affairs

Professor of Clinical Radiology and Population Health Sciences

Weill Cornell Medicine;

Former President of the American College of Radiology

Topic: The Visible Radiologist

Chantsalsuren Galbaatar MD

CEO & Co-Founder, Mongolian Medical Women's Association

Radiologist, Intermed Hospital Mongolia

Editorial Manager, The Mongolian Journal of Radiology

Topic: Engaging Colleagues in Medicine

Angelica Robinson, MD

Vice Chair of Radiology Operations

University of Texas Medical Branch in Galveston

Topic: Captivating Communicator

Guest Panelist

Charles Goh, MBBS, MMED

Hon Secretary, Singapore Radiological Society

Faculty, National Diagnostic Radiology Residency Training Program

Learning Outcome:

A radiologist who effectively communicates with patients, professional colleagues

and in addition, have meaningful community engagement.
