President's Desk

Prof. Noriyuki Tomiyama,
MD,PhD
AOSR President

I am Noriyuki Tomiyama from Osaka University in Japan, and I was appointed President at AOCR2023 held in Bangkok, Thailand in February. I myself have been an EC member of AOSR since 2016, and I had the wonderful opportunity to become an Honorary Secretary in 2018. After that I became President-elect in 2021 and have been involved in the organization and management of AOSR under the immediate past president, Prof. Evelyn Ho. Also, in 2021, I was the congress president of the 18th AOCR held in Yokohama, Japan. The congress was held at hybrid format due to the COVID-19 pandemic.
