

AOCR 2024 Abstract Submission is Closing Soon!

Information from AOSR (As of 2023.12.07)

[EDM-2 \(elitepco.com.tw\)](http://elitepco.com.tw)

AOSR-AOCR Value-Based Radiology (VBR):

How to lead the way in becoming a visible radiologist?

Date & Time: Mar 22, 2024 Friday, 8.45am-12.45pm

Attend this special value-add track at the AOCR2024, at no additional cost to all AOCR2024 delegates. Spaces are limited for the small groups immersive workshop. Register for the AOCR2024 at www.aocr2024.org and book your spot for this special workshop!

** If you wish to participate in the Small Groups Immersive workshop following the open lecture session, please register. (The lecture session, it is open to everyone but small groups workshop has limited space)*

About this track

The AOSR is committed to promote better patient outcomes and ensure the future of radiologists in the face of rapid AI transformation of the radiology landscape.

The initial 90 min program/lectures will support all delegates:

1. To be recognized by patients and peers as a valued member of the care team
2. To be more effective leaders

Difficult Conversations Workshop (60 min small group, immersive)

Session Wrap Up (60 min)

About this track

Leave the session and workshop feeling more competent and confident, having learned and practiced your leadership skills, armed with robust skillsets to be a more impactful radiologist.

1. Leadership fundamentals
2. Knowledge about coaching, mentoring and sponsorship
3. Negotiation skills
4. Handling difficult conversations (patient, colleagues, administration/management)
5. Building, leading and managing diverse medical teams
