[AOSR] Asiasafe-related Information_ACR Manual on MR Safety 2024

- **Related Link:** <https://www.acr.org/Clinical-Resources/Clinical-Tools-and-Reference/radiology-safety/mr-safety>

The 2024 Manual on MR Safety is now available to download. The manual builds on prior editions and includes substantial new content and safety recommendations as well as addresses new challenges that face contemporary MR practices.

The manual is intended for use by MR practitioners, technologists, medical physicists, administrators and other healthcare professionals.
