Greetings from radiology colleagues in Hong Kong. This year the 30th Annual Scientific Meeting of HKCR will be held on12-13 November 2022 (Saturday & Sunday) as an **ALL-VIRTUAL event**. This virtual meeting allows us to provide the platform for the profession to share their achievements and experience and to keep promoting the interflow of knowledge and advancement in the fields of Radiology, Clinical Oncology and Nuclear Medicine. The programme will consist of **webinar lectures held in concurrent sessions, scientific symposia,**

proffered paper presentations, electronic poster exhibition and online film quiz. The theme of this year's meeting will be **"Artificial Intelligence Down to Earth", "Quality and Safety in Radiology, Clinical Oncology and Nuclear Medicine" and "Oncological Imaging"**. The lectures will cover a variety of topics in Radiology, Clinical Oncology, Nuclear Medicine and Palliative Medicine, to be delivered by overseas and local radiologists, including **special focus multidisciplinary symposium in Lung Cancer** and **a conjoint session with The Korean Society of Radiology**. Please find the enclosed poster and the first announcement of meeting for your information. The updated programme and announcement will be available at the meeting website: https://www.hkcr-asm.org The Education and Research Fund of HKCR is intended to sponsor **TEN young radiologists** in Japan to participate in the meeting. For the young radiologists of Japan nominated by your organization, the full registration fee of the sponsored radiologists will be waived.
