

## Rising Star For Radiology Grant

### The SFR-CERF seminar to attend the JFR 2025

The R-SFRg program offers a one-day, full-immersion research experience as part of our JFR 2025 congress in Paris, guided by world-renowned mentors in academic radiology from the SFR and CERF boards. The seminar features engaging courses and interactive exchanges, lively panel discussions, and a vibrant environment where young professionals with a shared passion for research and teaching can connect and collaborate.

### What's included?

- Free fees to attend the whole JFR congress 2025.
- All accommodations in Paris from Wednesday, October 1st to Monday, October 6th, 2025 (5 nights).
- Flight will be covered at a percentage depending on your country of origin, in economy class.
- Courses, Thursday dinner and Friday SFR international cocktail invitation.

Maximum **15 young radiologists** under the age of 40, with promising careers in academic radiology will be selected

### How to apply?

- 1 - Fill the application form: [HERE](#)
- 2 - Send following documents in **English** to:  
[claudia.ramos@sfradiologie.org](mailto:claudia.ramos@sfradiologie.org)
  - Short CV (1 page)
  - Motivation letter (1 page)
  - Recommendation letter from a local mentor (1 page)

Applications longer than 4 pages will not be accepted.

In the application form submit the abstract of your current research work which will be presented during the seminar.

Courses and exchanges will be conducted in **English**. The ability to communicate and understand English is essential.

Deadline

**March 20, 2025**

**APPLY NOW!**

## Thursday Oct. 02, 2025
